Dear President, Dr.Yen-Kuang Kuo,

On behalf of the Faculty of Education and Development Sciences of Kasetsart University, Kamphaeng Sean Campus, I am writing to request initiation of an undergraduate student exchange project. As Kasetsart University and National Changhua University of Education have signed the memorandum of understanding on the international collaboration since 2019, I would like to take an opportunity to deliver proposal an international activity intention. Faculty of Education and Development Sciences offers five-year program of undergraduate courses in Science, Mathematics, English and Physical and Health education and four-year program in Agricultural and Environmental Education. In order to increase capacity building on internationalization for undergraduate students, we would like to start an 'KPS Educational Camp at NCUE' to sponsor 9 students to attend workshop for teaching in English, cultural and sport activities with your students at National Changhua University of Education for 5 days during 18-22 May 2020. The grants will cover fee, meal, accommodation abroad, visa application, and airfares.

I believe this collaboration will help our students to gain valuable experiences from learning in international contexts. I would like to thank you in advance for your consideration. If it is possible for your organization to accommodate our proposal, at this stage, could you please provide a letter of acceptance of the student exchange program proposal? If you should have any questions regarding this request or require additional information, please feel free to contact me.

I am looking forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. Winai Poonsri'.
